The Prepared Oration
The oration must be on some aspect of the Constitution, with emphasis on a citizen's duties and obligations to our government. The same subject and oration used in the department contest must be used in the national contest. Contestants may have a copy of their prepared oration while waiting in the first holding room. They may consult the copy until they exit to begin the contest. The copy will then be surrendered to the contest official monitoring the first holding room.

Quotations must always be indicated as such. Where quotations are more than 10 words in length, the author's name must be given in the manuscript and cited orally. It is acceptable to utilize or incorporate short phrases in a foreign language to develop the argument, establish a point, etc. It should be understood that the vast majority of the prepared oration and/or assigned topic must still be delivered in English. Singing is not permitted and will result in immediate disqualification. The contestant may, however, quote a verse(s) of a song(s) provided proper attribution is made.

Assigned Topics
The assigned topic discourse must not consume less than three (3) minutes or more than five (5) minutes for delivery. The purpose of the assigned topic discourse is to test the speaker's knowledge of the subject, the extent of his or her research, and the ability to discuss the topic as related to the basic principles of government under the Constitution.

The assigned topic shall be drawn by the contest official in full view of the audience immediately before the last speaker begins delivery of his or her prepared oration and will be made known to the audience and each contestant approximately five (5) minutes prior to the time of delivery. The topic will be on some phase of the U.S. Constitution, selected from Articles and Sections as listed under assigned topics for the current year's contest in this brochure.

All contestants at each contest level are required to speak in the English language on the same assigned topic.
