Teddy Villers Natural Resources Scholarship

The Coos Watershed Association and the Villers Family of the Blue Ridge Timber Company will offer a scholarship of **\$1,000** to an individual who is planning to pursue a degree or certificate in an environmental/natural science field from an accredited institution of higher learning. This is a scholarship that honors the life of Teddy Villers, son of Mark and Adela Villers, who lost his life while working on a salmon habitat restoration project with his dad in September 2015. Teddy had a strong curiosity for the natural world and was often found working with his dad in the woods at restoration sites.

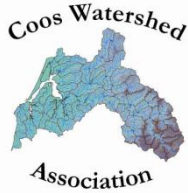

Applicants must meet the following criteria to be eligible for consideration:

- Must be enrolled at Marshfield High School, North Bend High School, Destinations Academy, or Southwestern Oregon Community College, or enrolled as a home-school student in the Coos watershed
- Must be a current high school senior or a current student at SWOCC
- Must be pursuing a career in an environmental science or natural science profession such as Environmental Science, Natural Resources, Rangeland Management, Environmental Policy, Fish or Wildlife Management, Biology, Botany, Zoology, Forestry, or other related fields

The Coos Watershed Association and Villers Family will award this scholarship to one candidate of their choosing who demonstrates a passion for and commitment to studying natural sciences. Scholarship applications may be obtained at the Coos Watershed Association office or high school guidance office. **Complete applications and supporting documents must be postmarked or dropped off by March 1, 2018 to be eligible for consideration. Please mail, email, or drop off application and supporting material to:**

Alexa Carleton
PO Box 388
186 N 8th St
Coos Bay OR 97420
