TENMILE BASS CLUB SCHOLARSHIP FORM

1. ESSAY Guidelines:

   The mission of the Tenmile Bass Club is . . .

   "To insure the future of fishing for generations to come by teaching conservation and wildlife management. Being a family-oriented club, we strive to teach fishing methods and techniques to the non-fisherman and the youth of our community. If we had our way, we would take the whole world fishing!"

   Read the statement above and write an essay in 500 words or less describing your personal experiences with fishing. Be sure the essay is proofed and spell-checked. It should also be typed and double-spaced.

1. **ALSO ANSWER THESE QUESTIONS:**

   Have you ever worked or volunteered for any fish & wildlife projects? ☐ YES ☐ NO

   If you have volunteered with fish and wildlife projects, please indicate where and when. Please explain with whom you worked and what you did.
